

PNEUMATIC *MART*

Your window to the world of pneumatics

A **brand neutral** online B2B marketplace for Pneumatic Products & Services.

What Is PneumaticMart

*Pneumaticmart is a **brand neutral** online marketplace for pneumatic products and services facilitating suppliers of pneumatic products to connect to the buyers of pneumatic products **without any online transaction**. The buyers can reach to the suppliers directly and conclude their **transaction offline**.*

- ✓ Price is not displayed for any product.
- ✓ No online transaction.

- ✓ Supports the manufacturers , dealers and traders of pneumatic products as an additional tool without creating any disruption in their existing selling process.

- ✓ Acts as a virtual marketplace facilitating suppliers and buyers to connect.
- ✓ An excellent platform for the buyers of pneumatic products. Single window to the world of pneumatics.

PNEUMATIC *MART*
